Program Descriptions

Swim Lessons

Splashers & Bubblers | Age: 3M - 36M

In this engaging class, parents will learn how to be safe and have fun in the pool with their child. This program will teach parents and their child through a variety of activities designed to grow and develop basic swimming skills so that children can be confident and prepared for independent swim lessons. Children who are not toilet trained must wear waterproof diapers.

Bobbers & Floaters | Age: 3Y - 5Y

Bob into YMCA Preschool Swim Lessons and open your eyes to the wonders of the water. Your child will learn basic safety rules and sounds while having fun in the water. Bobbers will blow bubbles while bobbing, learn how to float on their front and back while assisted and how to jump safely into the pool. Floaters will perform unassisted bobs and floats and front and back glides with kicks for 3 meters.

Gliders & Divers | Age: 3Y - 5Y

Dive into the water and glide with the creatures of sea! Your child will progress from the skills achieved in Bobbers and Floaters and will be introduced to swimming on their front and back, as well as a variety of deep-water activities. Gliders will learn boating safety and deep water awareness. Gliders will also learn how to float, glide and support themselves in deep water. Divers will learn to support themselves in deep water for 10-seconds and how to swim on their front and back for 10-meters.

Otters will learn to swim underwater and glide on their front, back and side. Seals will learn to use flutter kicking and rolling their bodies from side to side for streamlined movement through the water.

Dolphin & Swimmer | Age: 6Y - 12Y

These levels are designed to increase your child's swimming abilities and confidence. Dolphins will coordinate arms, legs and breathing for smooth propulsion during front and back crawl. At the Swimmer level, participants will increase skills in front and back strokes, endurance and treading water.
